# CertFirst Revamps Live Authorized EC- Council Certcamps in Select Locations

Chicago, Las Vegas, Orlando, and Reston, VA – 8/15/2023 – CertFirst, a leading provider of IT training and certification programs, is excited to announce the relaunch of its live Authorized EC-Council Certcamps at selected locations. With a commitment to delivering top-notch training experiences, CertFirst offers a wide range of EC-Council training programs, including Certified Network Defender (CND), Certified Ethical Hacker (CEH), Certified Hacking & Forensic Investigator (CHFI), Certified Incident Handler (ECIH), EC-Council Disaster Recovery Professional (EDRP), CASE.Net, CASE. Java, and many more.

CertFirst has been a longtime training partner with EC-Council delivering vast amounts of hands-on training both in-person and virtually. EC-Council's Senior Vice President and Head of North America, Steve Graham, explains "We are thrilled to continue our partnership with CertFirst, a company that shares our commitment to excellence in cybersecurity training."

"With a commitment to delivering top-notch training experiences, CertFirst will empower professionals to bolster their skills and organizations to strengthen their defense mechanisms against the ever-evolving cyber threats" explains Graham in reference on why learners should consider upskilling through CertFirst.

Certification **Track**

CertFirst's live Authorized EC-Council Certcamps are available both virtually and at the following physical locations: Chicago, Las Vegas, Orlando, and Reston, VA. Moreover, CertFirst extends its onsite or corporate group training services across North America, providing organizations with tailored training solutions.

Candidates participating in these programs will have the opportunity to take the exam at the same location through online proctoring facilitated by EC-Council, streamlining the certification process.

About CertFirst:

CertFirst has been a leading player in the IT training and certification industry since 2003, empowering thousands of clients worldwide with excellence in training programs. Our portfolio includes day, evening, on-demand, and hybrid classes to accommodate diverse learning preferences. Special discounts are available to Federal and Government clients, and Certfirst proudly provides official EC-Council courseware in all its training programs.

To further enhance the learning experience, candidates attending instructor-led training at CertFirst may qualify for free iLabs access and receive complimentary certification exam vouchers.

Additionally, CertFirst is committed to supporting US active soldiers and veterans through affiliated partners and partial scholarship programs for veterans.

Our client base spans across prominent organizations worldwide, including DoD, USAF, USMC, US Army, USDoE, US Navy, BAH, Northrop, Ford, GM, Apple, Amazon, and many more. CertFirst's dedication to delivering exceptional training solutions has earned us a reputation
as a trusted training partner.
